

## **A/E VOLLEYBALL INDOOR LEAGUE RULES –Roosevelt HS Revised 1 April 2013**

Rules shall be the latest version of the USA Volleyball Official Rules including the Special Rules Section for CO-ED 6's play except where specifically stated below:

1. Each team must have a minimum of 3 players. A minimum of one of the fielded players must be female. There is no service or position requirement for the women. There shall be a maximum of 4 fielded men on a team. There is no women hit or contact rule in this league.
2. All individual games shall be to 20 points, first to 20 wins, no win by 2, using the rally scoring system (i.e.: a point is scored by one of the teams on every play. You do not have to serve to score the point). Captains shall keep track of their team's points in each game and win/loss record and post that information on the chart in the gym. Captains shall check all scores and initial on the score sheet prior to leaving the gym. If you miss marking a game, please email result to [aevolleyball@comcast.net](mailto:aevolleyball@comcast.net)  
If a score is not posted within 2 weeks of the match, the point will not be awarded.
3. The server is allowed only one toss on a serve. You no longer are allowed to let a bad toss drop to the floor untouched and re-toss. The ball touching the net during a serve is legal. Missing your serve is a loss of point and loss of serve (side out).
4. The first game of the night shall begin at the official start time for the division. Five minute grace period is allowed prior to forfeiture but you must start as soon as you have a legal team. You must have a legal team (see rule 1) by end of the 5 min. grace period.
5. Last serve shall be at the stated end time. Win by 2 not required. One more serve allowed to break a tie.
6. A ball spin, coin toss or rock/scissors/paper (rsp) shall be used to determine serve or side. Winner may choose to serve or receive, or may choose the side to start on. The loser has the choice on the item not selected. Teams shall change sides in a game when the first team reaches 10. Each team shall be prepared to provide the game ball. Official League ball is Tachikara "Gold" which must be used if available. If captains cannot agree on ball, use ball spin, coin toss or rsp.
7. Substitutions using current USA Volleyball rules or "rotating in" during a dead ball may be used at a team's option. Position used for rotating in (i.e. middle back, server, etc.) is at team's option but must constant during the game. A team may use a libero player as described in USA Volleyball rules.
8. Do not step on or across the adjacent court lines or touch the other court with any part of the body. If you do, the play is dead and your team loses the point. This is a critical safety issue. Please call out "ball on" if a foreign ball enters the wrong court. Immediately stop play when you hear "ball on" and replay the point. You can play a ball that is behind the end lines of the adjacent court as long as you do not touch that court during any part of the play. Unless you have a foot on the floor, you can not use a wall, chair, table, another person, etc. to support you when playing a ball.
9. There are no referees in this league. Please call all your own fouls including carries, double hits (miss sets) and net fouls. Touching of the net is no longer a net foul as long as you do not interfere with opponent and do not touch top tape. Any hard driven ball including serves can be received overhead with open hands as long as the ball is not literally "caught." You can cross the center line under the net as long as you do not interfere with opponent and foot does not touch floor completely across the line. If the captain feels the other team is not calling fouls, he/she shall call for a non-charged time-out to discuss it with the other captain. The two captains and the two captains alone shall resolve any disputes on their court. If the two captains can not come to an agreement, there shall be a replay.
10. Each team is allowed a maximum of two 30 second time-outs per game. No time out in last minute of last game.
11. The server shall call out the score prior to each serve. When serving, both feet must behind the back line until the ball is contacted. At Roosevelt HS taking steps prior to serving and jump serves are legal.
12. You can play off the ceiling and ropes, backboards or other items attached to the ceiling on your side. However, if it touches one of these items and then crosses the net it is a loss of point & serve. The bleachers, side and back walls are dead balls. The items projecting down to less than 10 feet above the floor (i.e. the basketball backboards in the down position just behind the end line of the court are a discretionary replay. If the ball would have been playable if the item was not there, it shall be a replay. If the ball is clearly sailing out of bounds when it hits the projecting item, it is a dead ball. If the two captains do not agree on any interpretation, it shall be replayed. Hitting the backboards on a serve however is a loss of point and side-out.
13. All players must have signed the League Waiver Form prior to playing in any game. Failure to do so may result in forfeiture of the match. Players can be added to the team roster anytime up to 2 weeks before the tournament by filling out the on-line waiver form. One new emergency roster addition is allowed after 2 week cutoff. ID is required at tournament for roster verification.

*Each team is encouraged to get a copy of the Official USA Volleyball Rules. See [www.usavolleyball.org](http://www.usavolleyball.org)*
